61...75Nm Anziehmoment wechselseitig an 7 Schrauben.

61...75Nm torque max. 7 bolts crosswise.

61...75Nm couple moteur max. 7 boulons réciproquement.

61...75Nm coppia di serraggio 7 bulloni.

Kommutator komplett mit neuer Dichtung einsetzen. Die flache Seite der Dichtung zeigt nach außen.

Fit commutator assembly with new seals. Assemble seal flat side out.

Remonter l'ensemble commutateur avec un nouveau joint côté plat à l'extérieur.

Montare il distributore con la nuova guarnizione con il lato piano verso l'esterno.

Vor dem Einbau der Abtriebswelle den Raum zwischen den gestrichelten Linien befeuchten.

Apply grease to shaft OD, and ID, in area designated by dotted lines.

Avant l'assemblage de l'arbre veuillez graisser l'espace situé entre les lignes en tirets.

Prima del montaggio dell'albero pregasi lubrificare la zona evidenziata con linee tratteggiate.
